Headline:
Dry with bright or sunny spells once patchy fog clears.

Today:
Early fog patches slowly lifting, then most places dry with sunny spells breaking through. West Cornwall will stay cloudy with a risk of drizzle and mist at times. Feeling a touch cooler than of late despite light winds. Maximum temperature 14 deg C (57 deg F).

Tonight:
A mixture of cloud and clear spells this evening with mist and fog patches forming through the early hours. Becoming chilly in places. Minimum temperature 3 deg C (37 deg F).

Monday:
Mist and fog slowly lifting in most places, but locally persisting into the afternoon. Elsewhere, mostly cloudy but a few bright or sunny intervals developing. Not as mild as recently. Maximum temperature 13 deg C (55 deg F).

Outlook for Tuesday to Thursday:
Damp and murky with drizzle at first on Tuesday, but slowly brightening up. Bright and breezy on Wednesday with sunny spells and a few showers. Turning cloudier again on Thursday.
